

COUNTRY LIFE MAGAZINE VOTED THE MERKINS FARM CAFÉ FULL ENGLISH AS ONE OF THE TOP SEVEN BREAKFASTS... IN BRITAIN!

We are so pleased to have finally finished and open the new room at Merkins! We hope you enjoy having a Merkins Full English, looking at our new wall art, and browsing the new Merkins Gift shop, as much as we have enjoyed creating it all.

But...Don't look in the Drawer ?!?!?!?!?

MERKINS GIFT SHOP

We hope you have spotted our new little Shop! We've now got a whole wall of lovely gifts and bits for sale! And

good news... our 'I'd rather be at Merkins' mugs are back in stock! You can even become a member of our crew by purchasing a sweatshirt or long sleeve crew top. Shop local - Shop at Merkins

You got it from your Mama!

Mother's Day is also on its way! Whether it's treating your lovely mum to a breakfast or a gift, come to Merkins.

Who needs superheroes when there's Mums?

It's beginning to look a lot like Spring!

Although it is still very chilly... the trees are blossoming, which means spring is on its way! Our specials board is full of perfect meals for that Winter to Spring chilly period, from homemade warming soups to delicious tartlets and sausage rolls.

This time of year is the time for hot drinks!

We have a range of coffee syrups - Cinnamon, Vanilla or Caramel—adding that perfect hint of flavour to any coffee. Merkins loves cosy hot drinks so we always have a good range of herbal teas, just ask a member of our crew for details! *Highly recommended this month* - the **Mighty Merkins Hot Chocolate**. Packed full with cream, chocolate buttons, a chocolate wand and a mega mallow, this is the perfect hot drink for these final winter days!

Warning - it is *mighty* !

MERKINS FACT—DID YOU KNOW?

Our Holiday Cottages, behind the café, were once a milking parlour and cow sheds!
